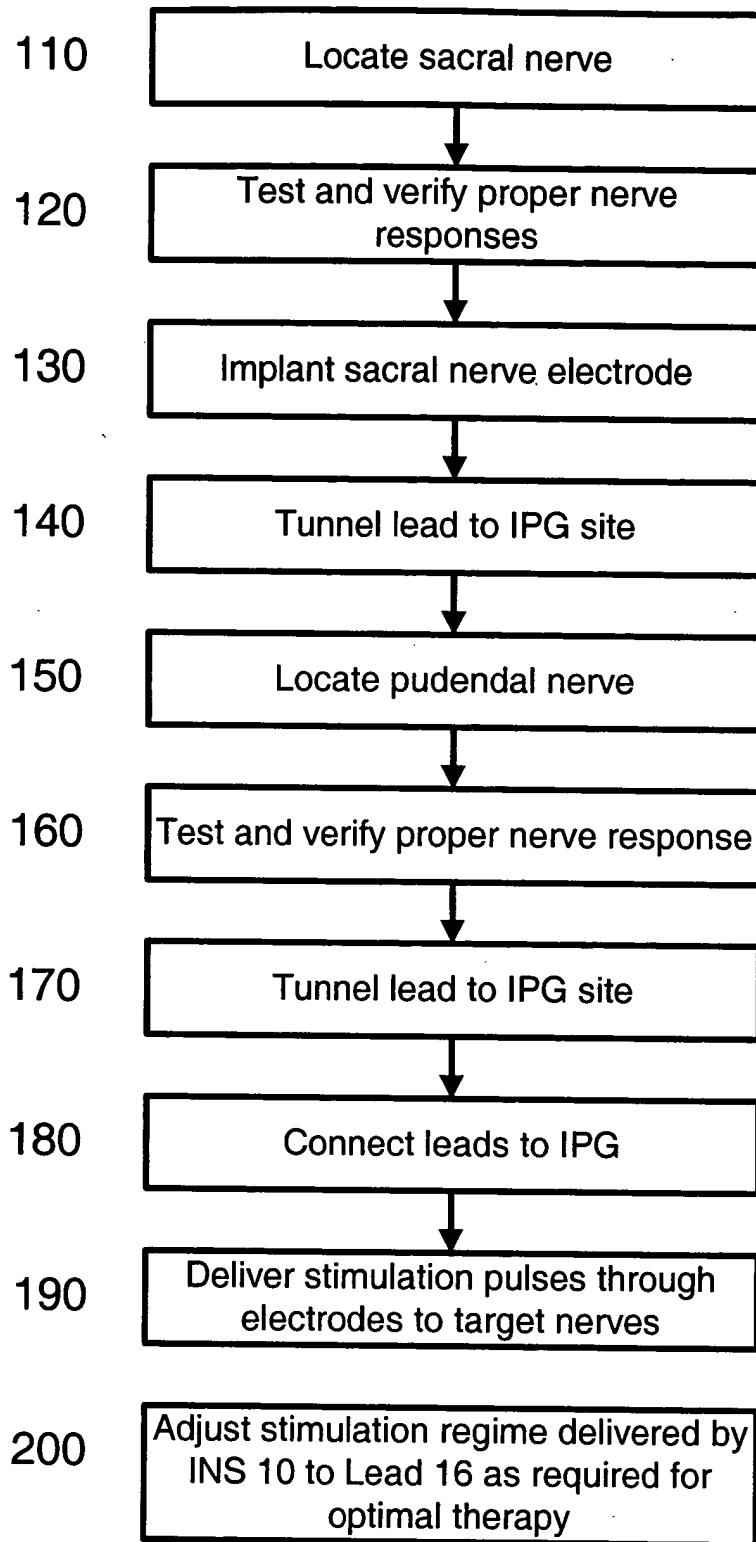

Figure 7

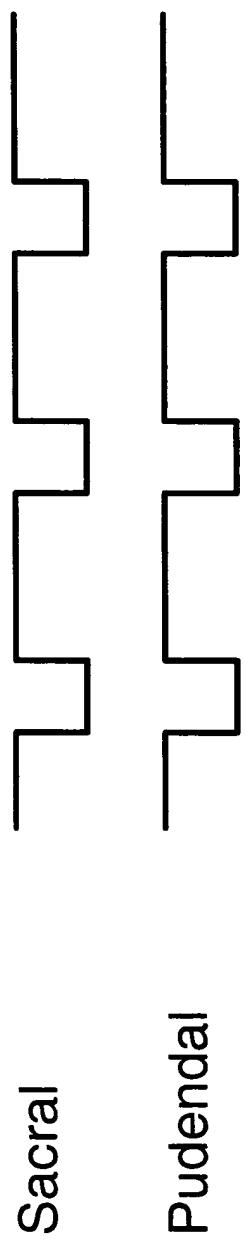

Fig. 8A: Sacral stimulation and pudendal stimulation pulses synchronized

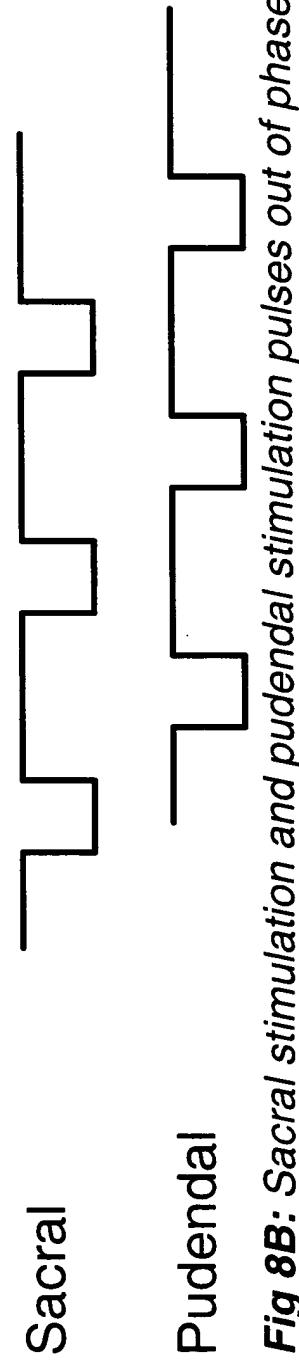

Fig 8B: Sacral stimulation and pudendal stimulation pulses out of phase

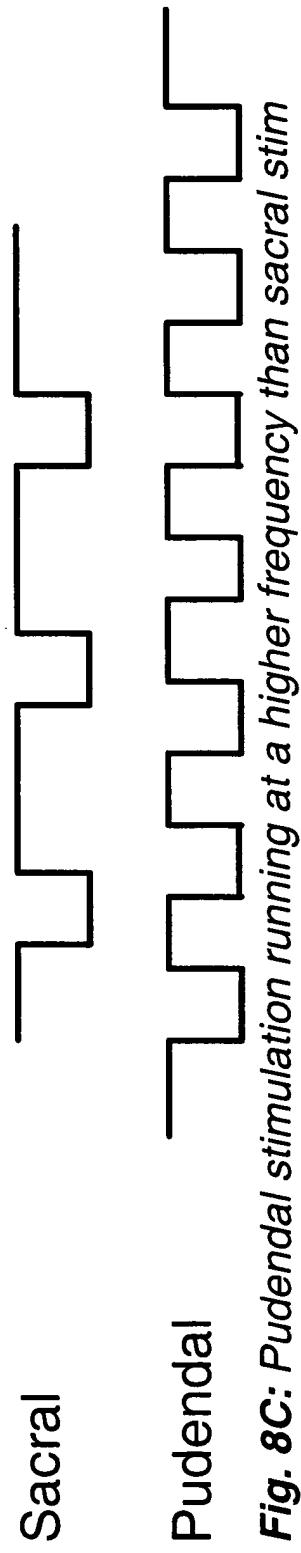

Fig. 8C: Pudendal stimulation running at a higher frequency than sacral stim

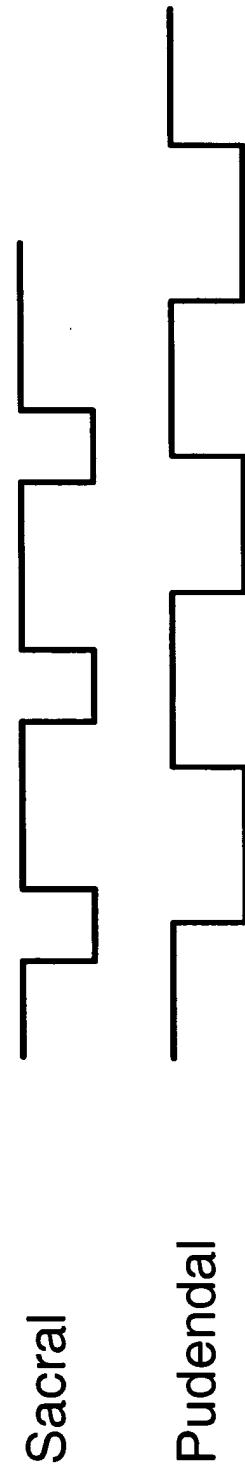

Fig 8D: Pudendal stimulation running at different stimulation parameters than the sacral stimulation

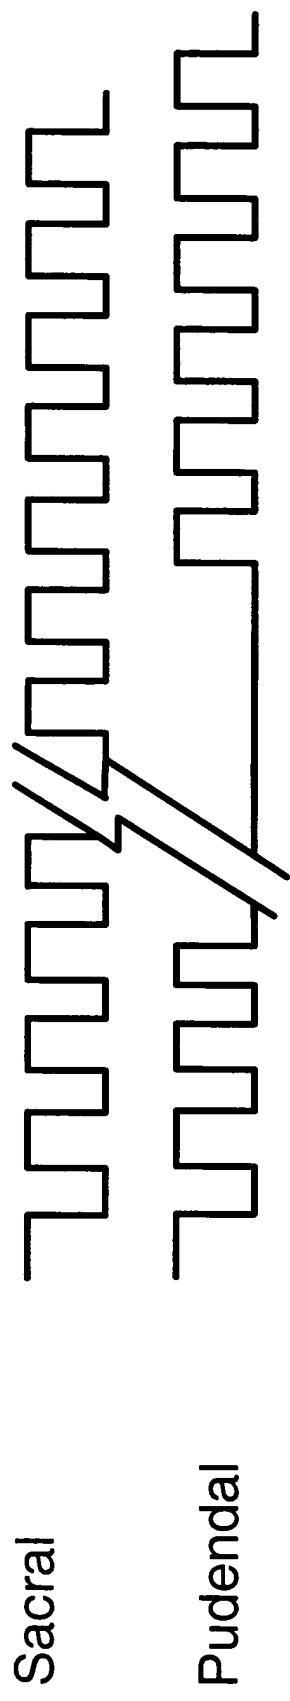

Fig. 8E: Sacral stimulation and pudendal stimulation with pudendal stimulation turned off for a period of time

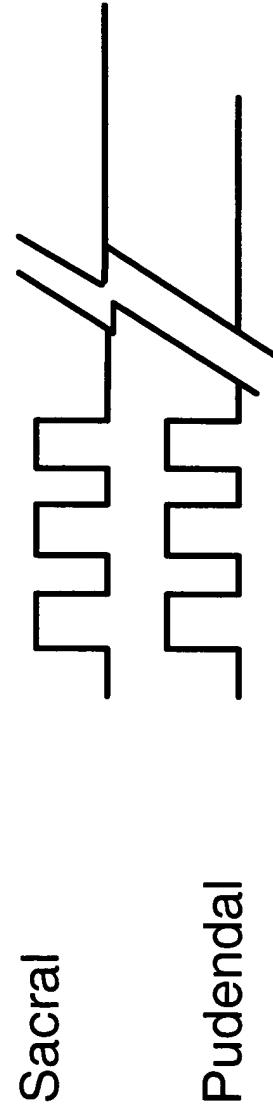

Fig 8F: Sacral stimulation and pudendal stimulation with pudendal and sacral stimulation turned off after a period of time
